INSTRUCTIONS

NOTE: A corporation is a complex form of business structure. This form contains only the minimum provisions required by law to be set forth in Articles of Incorporation. Additional provisions may be advisable or necessary, depending on the specific needs of each corporation. Consideration should be given to the advantages and disadvantages of incorporating, and the legal and tax consequences. You are strongly advised to seek legal advice from an attorney, and tax and other business advice from an accountant.

1. File the Articles of Incorporation, which contains a Written Consent to Appointment (both portions signed before a notary), and the requisite \$75 filing fee with the Secretary of State's office.
2. The Articles of Incorporation may be delivered to the Secretary of State's office in advance, for filing as of any specified date (and any given time on such date) within 90 days after the date of delivery. Requests should be made in writing and must be submitted along with the Articles of Incorporation.
3. Please call the Internal Revenue Service at (800) 829-4933 for information to obtain a corporation's federal tax identification number.
4. If the Articles of Incorporation are filed within five (5) working days (exclusive of legal holidays) after acknowledgement, the corporate existence shall begin as of the time of such acknowledgement.
